10 FINANCIAL POLICY AND AGREEMENT

Payment

Payment in full is due at time of service. For your convenience, we offer several payment options.

1.) Cash
2.) Check
3.) Visa, MasterCard, Discover and Amex
4.) Care Credit

Insurance Coverage

Our office is committed to helping patients maximize their insurance benefits. We accept many different insurance plans; however, all plans have a unique schedule of covered services depending on what plan you or your employer purchased. Therefore, owing to the complexity of insurance contracts***, we can only estimate in good faith, not guarantee coverage***. It is your responsibility to understand and know what your insurance covers. Your estimated patient portion must be paid at the time of service. As a service to our patients, we will bill your insurance company for service, and allow 90 days for them to render payment. After 90 days, you are responsible for the entire balance and it will be due in full. If you have any questions, our courteous staff is always available to answer them.

I have read and fully understand the above paragraph on Insurance Coverage. _____ Initial

To lessen the financial burden to our patients and their families, we are in network for most insurances, including Medicaid. We are required to bill all insurances uniformly, including procedures such as oral hygiene instruction and nutritional counseling. However, some insurances do not cover these procedures. As a preferred provider we will write off these procedures after payment is received from your insurance company as a courtesy to our families. In many instances you may receive an EOB from your insurance company before our office has had a chance to make the appropriate adjustments. Therefore, please contact our office if you have any questions about any EOB's you receive from your insurance company.

Missed Appointments

Bridger Children's Dentistry is a private dental practice where we reserve time by appointment for each child scheduled. We strive to provide quality dental care for your children. Please appreciate our efforts in providing the best care possible and in return, we ask our patients to keep scheduled appointments with equal effort.

We require that all parents or guardians confirm or cancel their child's appointment 24 hours in advance. This allows us to offer your reserved time to another child in need of care.

Confirmation: To continue to reserve your appointment time, we require confirmation the business day prior to your appointment through email, text or call. If we do not receive confirmation, we reserve the right to fill your appointment with another child in need of care. If we do not receive 24-hour notice of cancellation, this will be considered a missed appointment. If you miss two appointments, you will be given the option of same day scheduling for all future appointments.

Late arrivals: If you arrive more than 10 minutes late to your scheduled appointment, a portion of the scheduled treatment will be completed, or we may need to reschedule the appointment entirely.

We understand illness and emergencies arise. Please notify us as soon as possible.

I have read and fully understand Bridger Children's Dentistry's Policy for appointment confirmations, missed appointments and late arrivals. _____ Initial
